

Currency - What are MPC and Merits?

We have two main currencies on APA called MPCs and Merits.

MPCs

MPCs (full name: Military Payment Certificates) are the most common currency and is easily found in multiple methods. MPCs are used for the most common everyday purchases, player stores typically operate using MPCs as their currency, and the transit system operates entirely on MPCs.

How do I earn MPCs?

Here are the main ways to earn MPCs currently:

- Killing zombies in zones that reward MPCs (see Zones).
- Selling jewelry at the KSSA Sanctuary School ATM.

Merits

Merits are a special currency awarded for completing typically higher difficulty objectives, such as operating in more dangerous zones or attending one of the events.

How do I earn Merits?

Here are the main ways to earn Merits currently:

- Killing zombies in zones that reward Merits (see Zones).
- Attending events that rewards Merits.
