LBMW Radio Louisville EBS Message 8

Attention. Attention. This is the emergency broadcast system. Hello, to anyone still listening to these broadcasts. This is Sergeant Apollo. I am the current commander of the local Kentucky National Guard outpost. I will be assuming command of the local area. With many civilian conscripts joining, and a more informal attitude, I am relabeling us as the Kentucky State Standing Army. Our main priority will be the defense, and ongoing operation of the Trimble County Power Station; as well as, maintaining order in the greater Louisville area. We will be calling on any available civilians in the coming days for assistance. Thank you.
